

Celebrating our Healthcare Heroes

When you join us at Mask-R-Aid, you will be part of the celebration as we honor these Caring People who do so much for Shepherd's Hope.

2020 Maryanne Brown Award of Distinction

Named in honor of Maryanne Brown, Senior Executive Assistant to the Chairman of the Board of Universal, a true friend of Shepherd's Hope who selflessly gave her time to ensure our success. This award honors Maryanne's spirit of not talking about getting something done, but just doing it!

Thad & Katie Seymour | Maryanne Brown Award of Distinction

This community-minded couple is the epitome of just doing it! Friends of Shepherd's Hope since 2010, they have supported our mission in every way possible, with their time, treasure, and talents. Thad is an emeritus member and chair of our Board of Directors and Katie has volunteered first as an eligibility volunteer in the Longwood Clinic and then as committee member and chair of our Famous Faces Masquerade Ball. After helping Tavistock build Lake Nona Medical City, Thad held several roles at UCF and recently retired as interim president along with Katie who served as UCF Ambassador. The couple continues to serve our Central Florida community.

Dr. Ruth M. McKeefery Volunteer of the Year Awards

Since we opened our doors on February 14, 1997, our volunteers have made possible approximately 300,000 patient medical services. They are the healthcare heroes. There are no words to adequately express our gratitude for all they do! Normally, this group would be celebrated at the postponed Call to Hope breakfast, but we could not let the year pass without celebrating our heroes. Our volunteers are the Caring People, Caring for People saving the day!
