CELEBRATING 25 YEARS

In 2022, Shepherd's Hope is celebrating 25 years of Care Without Conditions – free healthcare services, education and wellness programs to uninsured men, women and children in Central Florida.

These 25 years of community service – over 310,000 medical visits and treatments – have been made possible through the collective caring of volunteer providers, business partners and an incredible group of individual supporters.

Over 450 community leaders will join us at our 2022 Famous Faces Masquerade Ball, our annual celebration of our programs that help people in Central Florida live healthier, happier and more productive lives. It will be a lively and entertaining show of shows featuring our Greatest Hits – inspirations, acts of kindness and community unity to provide lifesaving healthcare to the uninsured.

Please join us as a Famous Faces Masquerade Ball Sponsor.

As we celebrate 25 years of community service, your support will help us continue our programs and open the door for our next chapter of miraculous impact.

Your partnership changes the lives of men, women and children who cannot afford health insurance or medical services. You give them compassionate treatment focused on their ongoing health so they can continue to pursue their goals, be there for their family and friends, and contribute their talents to our community.

As a Sponsor, your company will be spotlighted as a caring partner, alongside uplifting stories of hope and healing. We thank you for your support!
