AT THE OSCARS

Shepherd's Hope provides free, quality healthcare for the uninsured. These children, women and men are our Central Florida neighbors in need – the working poor, the unemployed, the unsheltered, the victims of domestic violence – anyone who struggles to survive at or below the Federal poverty level.

Their primary, acute and specialty care medical services are provided by licensed medical and patient service volunteers. This team of Caring People, Caring for People helps the uninsured improve their health and prevent chronic conditions, concurrently reducing the community costs of hospital visits.

Our 26 years of community service – over 310,000 medical visits and treatments – have been made possible through the collective caring of these volunteer providers, program partners, business partners and individual supporters.

Every patient visit – from a back-to-school physical, to diabetes and hypertension maintenance, to hepatitis B treatment – changes the lives of our patients, their families and our community.

As a Famous Faces Masquerade Ball Sponsor, you support our lifesaving work – giving our neighbors hope, healing and health when they had nowhere else to turn.

Please join us as a VIP Sponsor of this evening on the red carpet, celebrating the people and work that makes our Central Florida home better for everyone.

You and your company will be lauded as caring partners to the region's general public, our supporters and over 450 community leaders at the Ball as we spotlight our spectacular stars who so generously ensure our neighbors in need have better health.
