Join us for a most spectacular 25 Year Celebration – a show of shows featuring our Greatest Hits – inspirations, acts of kindness and community unity to provide lifesaving healthcare to the uninsured.

It's a Silver Celebration that will transport you **around the world** of Shepherd's Hope in one evening. Experience the thrills of **roaring back to the '20s**, showing your best **Saturday Night Fever** disco moves, singing along the **yellow brick road**, and saving the world in true **007 James Bond** style.

Whether a **Mask R Aid** once upon a time or a masquerade, our annual Famous Faces Masquerade Balls have brought us together to celebrate since 2000. **Imagine** a world filled with **fantastical islands** of whimsical glimpses into highlights of Masquerade Balls past and our work providing free healthcare to the uninsured men, women and children in Central Florida.

We'll spotlight amazing **Heroes of Hope**, rolling out the **red carpet** for our volunteers to take a **walk of fame** for their above-and-beyond contributions to the health of our community. Share the passion of our care without conditions at a brief stop in **Casablanca**, where we'll take a look at you, kids we've healed and adults given a healthy new future.

We'll be on set for some of our most cherished patient successes of health and healing, whirling through a **museum at night**, the bright lights of **Broadway**, and the **field of dreams** we envision for our next 25 years. You'll mix, mingle, enjoy a fabulous dinner and tasty beverages from our **Life's a Beach** bars. You can add your artistic touch to our **American Graffiti** 25 Year celebration wall, becoming part of our living history of community service.

"What to wear," you ask? It's our 25 Year Celebration and we think **everyone deserves to be famous!** So think about who you are, and **who you want to be**, and don your favorite costume from over the years. Or, looking **back to the future**, create your greatest hits fusion design or a glimpse into the "future you."

It will be a **Monster Mash** of a 25 Year Celebration, showcasing our creative, grassroots innovations. We look forward to celebrating our **greatest hits** with you!
